

Sponsor a Child at Hope School

Every year concerned international donors make it possible for children living in Palestine to attend Hope School.

Without sponsorship these children would either be forgotten in large government classes, or they would not be able to attend school at all because their parents cannot afford basic requirements like food, books and uniforms. Hope School Child Sponsorship Program offers you a chance to make a meaningful difference in the life of a child.

What could be closer to God's heart?

How it works

Hope School Child Sponsorship Program aims to get sponsorship for 100 young students for the school year 2014-2015.

The program pairs a child with a sponsor parent who sponsors a child for a minimum of one year and a maximum of Six years. Following the first year sponsors are requested to renew their funding for subsequent years. A

child will be selected by the school's administration for sponsorship if one or more of the following circumstances apply:

- only one parent takes care of the child,
- one of the parents is chronically ill or disabled,
- the parents have more than 6 children,
- the child needs extra help because of health problems, learning disabilities etc.,
- the parents have demonstrable economic problems,
- the child is an orphan.

To start your sponsorship

In order to ensure the good education of the child, you can only choose to sponsor a child for a minimum of one school year.

The first step is to contact the school office deciding on the age and gender of the child you wish to sponsor, as soon as you get a reply you can move to the next step.

Second, you should decide if you would rather donate your money monthly or as a one off donation. You can send your sponsorship payment either as a check in the post or through a bank transfer. If you decide to transfer your money monthly, you should arrange with your bank an automatic transfer every month. Hope School will take care of contacting you in order to make sure that your money has reached our bank. If you decide to send your donation via post, you will receive a school receipt and a thank you letter from the school.. Thirdly, for any category and any kind of transfer you decide, you will receive an annual update by mail including a picture, a Letter and the report book from your sponsored child. In the meantime, you are of course free to get in contact as much as you like with your sponsored child through Hope School sponsorship coordinator. You will also receive updates on your sponsored child's development as well as the development of Hope School at the end of each term of the school year. As you exchange letters, send photos and offer encouragement in Jesus' name, your love will bring hope to a child that will last a lifetime. The relationship between a sponsor and a child is powerful and unique. You will be inspired and encouraged for years to come!

If you have made your decision, send an e-mail requesting to sponsor a child. Hope school will send you the complete information about the sponsor child.

The procedure for sponsoring a child is easy to go through and Hope school sponsorship program has been flourishing over the years, thanks to hundreds of sponsor parents who are themselves enjoying the adventure of offering a brighter future to a disadvantaged child. Thank you for making room in your heart for a precious child

Sponsorship changes lives of children — and their sponsors.

Through your sponsorship you will make a difference in your child's life and the community. Your gifts will provide for your child's basic needs. Sponsorship money will help fund education. Your gifts will provide books, materials and teachers so your child can learn, grow and achieve more. And you also help fund other initiatives at our boarding section, such as healthy food, clean water for drinking and a healthy environment to live and study in.

You'll see the multiple ways your kindness makes a difference for a precious child you know by name, and whom you will grow to love.

Ultimately, sponsorship is an exciting exploration for both your child and for you. Congratulations on beginning this new adventure.
