

HOPE SCHOOL NEWSLETTER – GOD IS LOVE

OPENING THE SCHOOL YEAR 2014-2015

“Everything Matters”

Today we launched the academic school year of 2014-2015. We ask God’s blessing on our school, our students and teachers, our parents, faithful friends and supporters, and on everything that is part of our school community.

We begin our school-year by hearing Jesus’ invitation to love, peace and respect each other. We pray to put an end for this war and bring peace in the Holy land. He told us ‘I am the love to be loved, I am the life to be shared, I am the truth to be told, I am the light to be lit, I am the peace to be given’. May we share this love, life, joy, truth, light and peace with each other today and throughout the coming year.

Dear Friends and supporters,

Thank you for your prayers, kindness and support for Hope Secondary School. Your donations will allow us to fulfil our mission; providing good secondary education and boarding for disadvantaged children of all faiths from the West Bank Area, in a Christian environment. We believe that our faith can transform lives and that our mission is an important one, especially during these difficult political and social times for our children. We are committed to sharing with you stories and progress up-dates about our school; we would like to keep you updated and invite you to build a relationship with our needy children who indeed need your Prayers. We pray for you and look forward to the blessed days ahead.

Students receiving their school books

New Students enjoying their first day at Hope School

We call each and every one of you here at this start to walk with us on the same path we are walking; to overcome the financial obstacles on our way, we need your prayers and support for those 80 needy children in our care, and foremost for the 20 boarding boys who have no home but Hope School boarding section where they find a home-like atmosphere filled with the Lord's love and care.

Before printing, think about the environment

"Everything Matters" would be the slogan of the year, we care for everything: the school system, bylaws and regulations, healthy and comfortable environment, well-being of the students and finally the school academic results. With focus on the undergraduate students, we are interested this year to prepare our students mentally and psychologically for the next phase of their educational career. Our intention is drawn to prepare them for the challenges they might face when leaving the school and attending the universities or work. We are interested in keeping up our basic values of tolerance, love and living in peace with their peers as living values practiced on daily basis. We will continue teaching them the word of God to "Be watchful, stand firm in the faith, act like men, be strong" Corinthians 16:13.

Please take the time-out of your day to stay in touch with us; through e-mail, webpage, Facebook, or even mail.

May our Lord Jesus Christ bless each and every one of you richly.

Our Vision:

Hope school is seeking to be a center of excellence in provision and promotion of quality education.

Mission

Hope School is a non-government, non-profit, Christian-based organization, was founded in 1962 by the Mennonite Central Committee (MCC) to provide suitable and quality education for orphans and disadvantage children in Bethlehem area and the whole Palestinian territories. Fifteen years later, the Arab Charitable Society was founded to replace the Mennonite community in governing the school and the whole project. The Charity along with Hope school are committed to a unique vision based on Christian values of Love, Peace, Tolerance, Human dignity and Justice. These values are the driving force of all the school activities through which Christian message is conveyed to students and local community at large.

Goal:

To develop a ministry that provides best-quality education to underprivileged children in the West Bank and Jerusalem

Please keep Hope school in your prayers. It is because of your prayers & support Hope school was able to sustain over the past five decades.

On behalf of Hope Ministry
